PUBLICITY RELEASE

I understand that IDTA is a non-profit organization that promotes drill team activities in the state of Illinois. The strength of IDTA as an organization and its ability to continue to provide its participants with clinics, performances, contest opportunities, and awards is dependent on its ability to raise funds through various means to support these activities and benefits. One method of raising funds is the sale of merchandise, such as program books and DVD's that commemorate the participant's experiences in IDTA.

I hereby permit the use of my son/daughter's image to be photographed, videotaped or otherwise recorded for use in IDTA merchandise and publicity materials for promotion of IDTA. These materials include, but are not limited to; photographs of any IDTA sanctioned activities, souvenir program books, IDTA internet sites, and IDTA video recordings.

SPORTSMANSHIP AGREEMENT

Along with the Illinois High School Association, the Illinois Drill Team Association is investing time and energy into demonstrating the outstanding sportsmanship of our coaches, participants, and all spectators.

The Illinois Drill Team Association expects the best display of sportsmanship to all and by all participants, judges, IDTA officials and all spectators and fans. IDTA feels it is essential that our participants have a positive approach to handling adversity. We are asking ALL our fans to keep comments positive and upbeat.

By signing this agreement, I am aware of the Illinois Drill Team Association's sportsmanship goal. I further understand that any violation of poor sportsmanship is unethical and could lead to possible criminal offense. Any action taken would involve the coach of the team involved, school officials of the team involved, and IDTA officials.
